

Call to Worship

God, our Father

**From nothing You made all that is.
You formed us, love us, and give us all we need.**

Christ, our Redeemer,

**You have rescued us from death.
You have made us new creations.**

Holy Spirit, our Comforter,

**You strengthen us, renew us,
and guide us into the life that truly is life.**

Almighty God,

**for Your never-ending, reckless love
for us and all creation, we praise You and worship You.**

Amen.
