

## Call to Worship

God of all nations, we long to meet You,  
to engage You

**Yet we often miss You, present in our  
midst**

Because we're really looking for our  
own reflection, for the god we want  
rather than the God You are.

**Disrupt our assumptions**

Expose our possessiveness  
**Expand our vision**

With the breadth of Your love and the  
depth of Your grace.

**That we might be agents of heaven  
among the peoples of the world.**

**Amen.**
